

WELCOME TO HARSHIT ELECTRONICS

ISI MARKED WIRES AND CABLES

OUR PRODUCTS

USB Cable, Data Cable, & Charging Cable

K-Flex manufactures all kinds of moulded cords used in computer application, mobile application & different kinds of instruments. Most frequently used cables are USB, Data & Charging Cable. The data cables are fitted with micro USB connector & other kinds of connectors used in recent applications.

HDMI CABLE

K-Flex HDMI cables are used to transmit very high quality signals at high frequency ranges which provided more & more at receivers end, now a days all hi-definition screens are backed up with HDMI Cables.

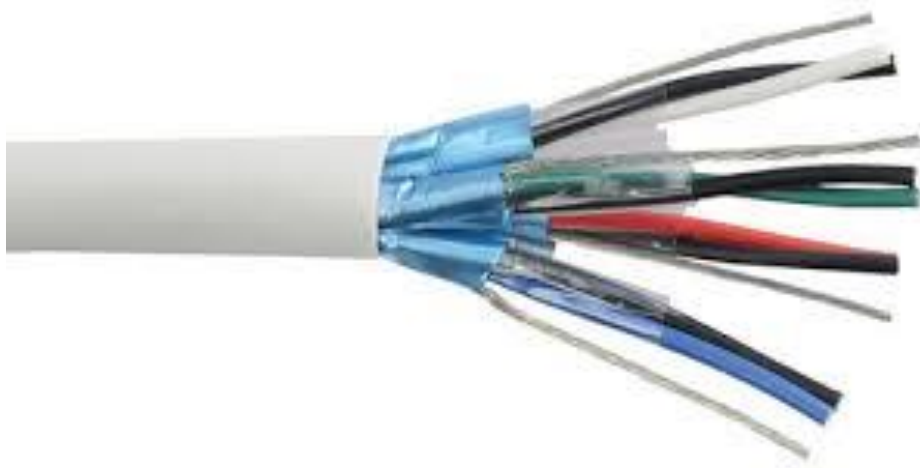

Co-Axial / Communication Cables

K-Flex RF Feeder Cables Flex and Super flex 1 5/8", 1 1/4", 7/8", 5/8", 1/2", 3/8", 7/8"S, 1/4"S, LMR Series , leaky Cables, RG series for Transmission/Reception of High Radio Frequency Signals, Communication Systems Like Mobile tower of GSM and CDMA, Satellite, Radar, Television, CCTV Systems, Computer/Data Processing & Transmission.

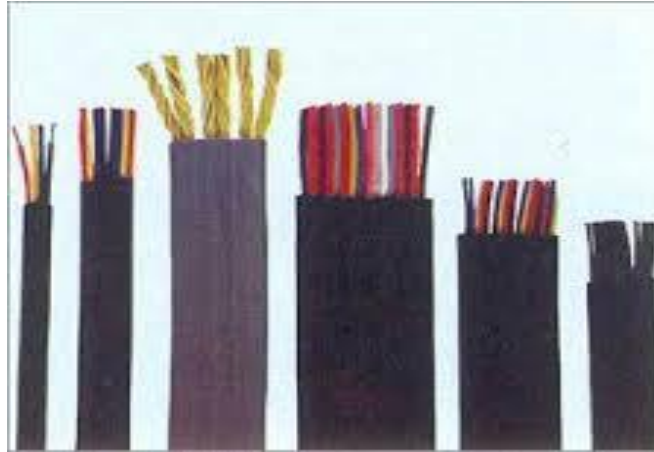

POWER CORDS & DC CABLE

K-Flex Two/ Three power cords are used in mains to give power supply to different type of equipments easy TV, Fridge, AUDIO Systems and other electronic equipments.

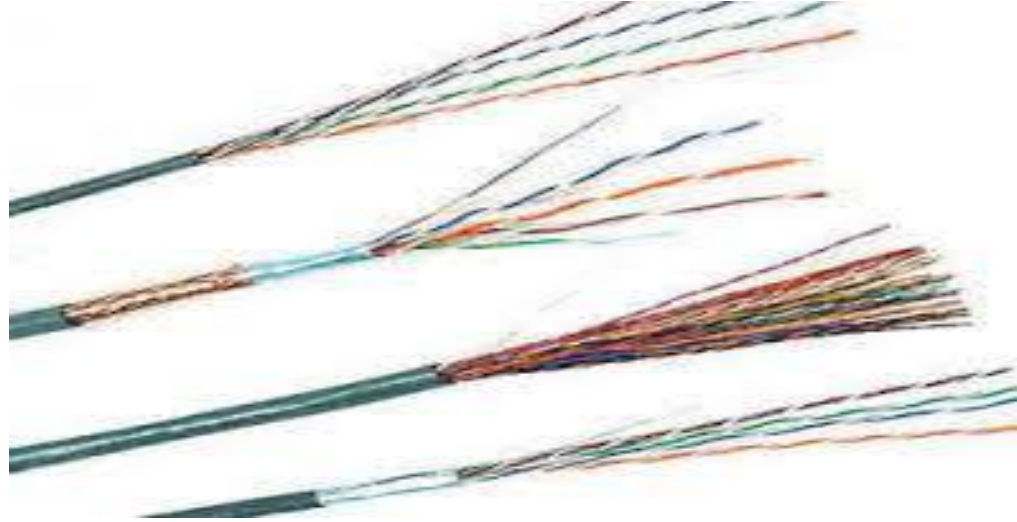

Special Cables/ Instrumentation Cables

K-Flex Taflon (PTFE) Fiber Glass, Rubber Insulated, Compensating, Shielded, Signaling Cables, Super Soft (Rubber Blended) PVC Cables, Welding Cables, Tailor made Cables for different Industrial Applications, High Voltage Cables, upto 100 KV for Instruments/Cables Fault Locating Machines.

Flat Cables

K-Flex 6 Core, 8 Core, 12 Core, 16 Core, 24 Core Flat Travelling Cables in Special Super Soft Rubber Blended PVC less than -30°C Temperature for Control Panels, Hoists, Elevators and Escalators, 3 Core Flat Submersible Cables for Submersible Pumps and Motors.

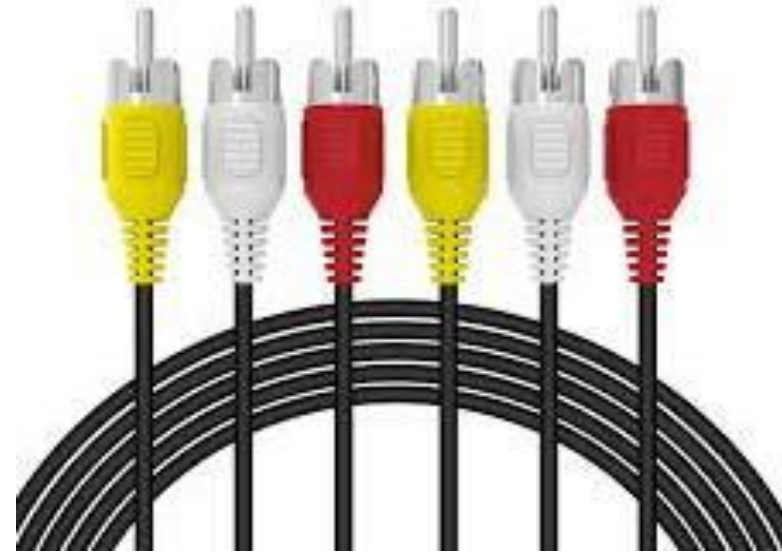

Computer Networking and Telephone Pair Cables

K-Flex CAT-5, CAT-6, Fire Alarm Cables, Pair Cables, PIJF Armoured/Unarmoured Cables for Communication Sites, Telephone Wiring, Computer Networking, EPABX Systems.

Electrical Control Cables

K-Flex Multi Core Flexible Armoured/ Unarmoured Cables upto 61 Cores for Communication Control Panels for BTS sites, Railway Signaling, Hoists & Elevators, Rolling Mills, Steel Plants, Sugar Mills and Cement Plants.

AUDIO VIDEO/CCTC CABLES

K-Flex AV Cables are used to transmit audio & video signals commonly used in set top box, audio system & CCTV systems etc. CCTV cables mainly used in close circuit televisions.

PATCH CORDS

K-Flex Patch cords are used for Local Area Networking normally with RJ-45 connector also used for interfacing of two equipments and input & output for different equipments.

D.C Power Cables

K-Flex HR, FR (Flam Retardant) FRLS, Zero Halogen, Lead Free Cables, Single Core Unsheathed/ Sheathed, multi Core Cables upto 1000 Sqmm in Copper and Aluminium, Armoured/Unarmoured XLPE/PVC, Aerial Bunch Cables Circular and Flat, Energy Cable for Wireless & Wire line application for BTS Sites (CDMA & GSM) Cables FR fixed Wiring, Panels, Industrial Wiring and Air Port Lighting.

Copper Flexible Connectors/ Jumpers

K-Flex Copper Flexible Connectors, Braided Connectors in ABC and ATC Copper Wire with both sides cold Frozen ends in Flat and Round Shape used in Earthing, Transformers, Flexible Joints etc.

Flexible Cables / Automobile Cables

K-Flex Single Core / Multi Core Cables as per Automobile Standard like AV, AVS, AVSS, DIN, FLRY and other International Standards, for Automobile Wiring, Harnesses, Control Panel Board Wiring, Low Volt .

Fiber Optic Patch Cord and Accessories

K-Flex provides optical fiber cables Patch Cord, Pigtails and Adapters for the industries including FC, SC, ST, APC as well as UPC whether they are single mode, Multimode or other specifications.

ABOUT K M CABLES

- K.M. Cables has grown to be one of the major manufacturer and supplier of finest quality of wires and cables with the brand name as 'k-flex' to almost whole of India.
- With over 26 years of experience in manufacturing wires and cables & with the continued efforts on Research & Development, the organization has achieved exponential growth over a short span of time.
- K.M Cables is a team of technocrats with the spirit to inculcate the strength of Quality, Research & Development and customer service in all our activities
- Our strength of the organization is the "Quality" of its product output
- Stringent quality control measures are implemented throughout the production line
- We have all the comprehensive facilities to supplement all the manufacturing activities

PRODUCT PORTFOLIO

- HR, FR, FRLS HOUSE WIRING CABLES e.g. 1 SQMM, 1.50 SQMM, 2.50 SQMM, 4 SQMM, 6 SQMM, 10 SQMM, 16 SQMM.
- CAT-5/CAT-6 LAN CABLE FOR NETWORKING FRLS.
- 2/3 PIN POWER CORDS & PATCH CORDS.
- DATA CABLE, CHARGING CABLE, DC CONNECTOR WITH CABLE, OPTICAL FIBER CABLE.
- AL. / COPPER ARMOURED U.G. CABLES UPTO 1000 MM2 SINGLE CORE FRLS.
- AL. / COPPER ARMOURED U.G. CABLES UPTO 3.5 CORE X 400 MM2 FRLS.
- SHIELDED AND SCREENED ARMOURED/UNARMOURED CABLES FRLS.
- RF CO-AXIAL CABLES e.g. RG-6, RG-59, RG-11 AND OTHERS FRLS.
- PVC INSULATED SINGLE/MULTI CORE COPPER ENERGY CABLE FOR WIRLESS AND WIRELINE APPLICATIONS HR, FR, FRLS.
- DC POWER CABLES/BATTERY CABLES FRLS.
- PCM CABLES, FIRE ALARM CABLES FRLS.
- TELEPHONE PAIR/JELLY FILLED ARMOURED/UNARMOURED CABLES.
- SINGLE CORE COPPER FLEXIBLE CABLE UPTO 1000 SQ.MM.

PRODUCT PORTFOLIO CONT.

- MULTICORE FLEXIBLE CABLES UPTO 61 CORE.
- LOW SMOKE ZERO HALOGEN (LSZH) INSULATED AND SHEATHED CABLES
- UPTO 24 CORE FLAT TRAVELING / ELEVATOR CABLE.
- COMPENSATING CABLES.
- P.T.F.E. TEFLON SHIELDED/UNSHIELDED CABLES, KEPTON, INSTRUMENTATION AND OTHER SPECIAL CABLES.
- FIBRE GLASS INSULATED CABLES.
- SILICON RUBBER CABLES & TRS CABLES.
- RUBBER INSULATED WELDING CABLES.
- ACSR AND AAC OVERHEAD LINE CONDUCTOR/AAA CONDUCTORS.
- 2 PIN AND 3 PIN (5Amp & 15 Amp) MOULDED POWER CORDS AND OTHER ACCESSORIES.
- AND ALL TYPES OF TAILOR MADE AND HARD TO FIND CABLES.
- INPUT WIRE FOR CFL

STRENGTHS

- Experience of over 27 years in Wires & Cables manufacturing.
- Group is Managed by Directors with Good Commercial background.
- Qualified, Experienced, Dedicated Team of Engineers & Staff to support
- Customer Requirements in Developments, Production & Quality.
- Skilled line personnel.
- Reputed quality image.
- Cost Effectiveness.
- Geographical base.

OUR CLIENTS

- ✓ Selec Controls Pvt.Ltd
- ✓ Akshay Contrpls & Systems Pvt. Ltd
- ✓ Intelux Electronics Pvt.Ltd
- ✓ Nainko Exim Pvt.Ltd
- ✓ Renu Electronics Pvt.Ltd
- ✓ Statfield Equipments Pvt.Ltd
- ✓ General industrial Controls Pvt.Ltd
- ✓ D-Link India Ltd
- ✓ Kanban Engineering Solutions Pvt.Ltd
